 - c. Assets divested within the last two years for less than fair market value will be counted at full and fair market value.

Complete Income and Asset Guidelines will be provided upon request, if you have an opportunity to purchase or you can view online at www.mcohousingervices.com.

Other program highlights for applicants:

- Unit must be principal residence of the owners and can not be rented or leased.
- Non-household members are not permitted to be co-signers on the mortgage.
- A mortgage pre-approval letter, from a bank experienced with deed-restricted properties, is required.

Are there mortgage guidelines that we need to follow?

1. Be a fully amortizing fixed rate mortgage with a down payment of at least 3%, at least half of which must come from the buyer's own funds.
2. Be made by an institutional lender.
3. Have a fixed interest rate through the full term of the mortgage that is a current fair market interest rate.
4. No more than 2 points.
5. Monthly housing (inclusive of principal, interest, property taxes, hazard insurance, private mortgage insurance and condominium or homeowner association fees) may not exceed 38% of the buyers monthly income for the mortgage.
6. Non-household members shall not be permitted as co-signers of the mortgage.

VA and FHA loans are NOT accepted.

The mortgage must be from an institutional lender familiar with affordable deed restriction guidelines.

Persons with disabilities are entitled to request a reasonable accommodation of rules, policies, practices, or services or to request a reasonable modification of the housing, when such accommodations or modifications are necessary to afford the person(s) with disabilities equal opportunity to use and enjoy the housing.

Are there any restrictions?

YES. Deed restrictions are used to ensure the units are affordable for future buyers. The deed rider requires principal residency, affordability for perpetuity and prior approval from the Town and Monitoring Agent for capital improvements and refinancing. If you choose to sell your unit you must notify the town and Monitoring Agent in writing. There is a limit on the resale price. The maximum resale price is determined by using a Resale Price Multiplier, a figure calculated by taking the initial sales price and dividing it by the area median income. **For example**, if the initial price is \$219,000 and the current area median income is \$98,100, the Resale Price Multiplier would be $\$219,000/\$98,100=2.23$. Upon resale, the Resale Price Multiplier is multiplied by the updated area median income number to determine the maximum resale price.

All selected applicants are urged to review the deed rider with their own attorney. All buyers will be provided with a copy at the time of Purchase and Sale Agreement. Email maureen@mcohousingservices.com for a copy of the deed rider.
