## AFFORDABLE HOMES through LAU Program Question & Answer

### What are the qualifications required for Prospective Buyers?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4
Max Income Limit	\$54,750	\$62,550	\$70,350	\$78,150

### LOTTERY APPLICANT QUALIFICATIONS:

1. Household income can not exceed the above maximum allowable income limits.
2. Household must be a first-time homebuyer defined as not having owned a residential property for three years, including property owned in a trust. \*\* The following exceptions apply:
  - a. displaced homemakers, where the displaced homemaker (an adult who has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family), while a homemaker, owned a home with his or her partner or resided in a home owned by the partner;
  - b. single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of who the individual has custody or joint custody, or is pregnant);
  - c. households where at least one household member is 55 or over;
  - d. households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; and
  - e. households that owned a property that was not in compliance with State, local or model building codes and that cannot be brought into compliance for less than the cost of construction a permanent structure.

\*\* A home owned by one of the above exception must be sold prior to closing on the affordable unit.

3. Total household assets shall not exceed \$75,000. Liquid retirement assets are counted.
  - a. Individual retirement, 401K and Keogh accounts are included at 100% of the account value.
  - b. The value of Retirement and Pension Funds differ if you are employed or are no longer working. If still employed the value is determined using the amount you can withdraw less any penalties or transaction costs. At retirement, termination of employment or withdrawal periodic receipts from pension and retirement funds are counted as income. Lump sum receipts are counted as assets.
  - c. Assets divested within the last two years for less than fair market value will be counted at full and fair market value.

Complete Income and Asset Guidelines will be provided upon request, if you have an opportunity to purchase or you can view online at [www.mcohousingervices.com](http://www.mcohousingervices.com).

### Other program highlights for Lottery applicants:

- Unit must be principal residence of the owners and can not be rented or leased.
- Non-household members are not permitted to be co-signers on the mortgage.
- A mortgage pre-approval letter, from a bank experienced with deed-restricted properties, is required to participate in this lottery.

### Are there mortgage guidelines that we need to follow?

1. Be a fully amortizing fixed rate mortgage with a down payment of at least 3%, at least half of which must come from the buyer's own funds.
2. Be made by an institutional lender.
3. Have a fixed interest rate through the full term of the mortgage that is a current fair market interest rate.
4. No more than 2 points.
5. Monthly housing (inclusive of principal, interest, property taxes, hazard insurance, private mortgage insurance and condominium or homeowner association fees) may not exceed 38% of the buyers monthly income for the mortgage.
6. Non-household members shall not be permitted as co-signers of the mortgage.

VA and FHA loans are NOT accepted.

The mortgage must be from an institutional lender familiar with affordable deed restriction guidelines.

**Are there preferences for local residents and those with families?**

Yes. One of the two units are for households who meet at least one of the Local Preference criteria. Refer to the application for the local preference criteria.

Household size preference for the two bedroom units will be given to households that require two bedrooms, second preference is for households requiring one bedroom.

Unit preferences are based on the following:

- a. There is a least one occupant per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and reliable medical documentation is provided substantiating the adverse impact.
- d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- e. If the Applicant is in the process of a divorce or separation, the Applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

Persons with disabilities are entitled to request a reasonable accommodation of rules, policies, practices, or services or to request a reasonable modification of the housing, when such accommodations or modifications are necessary to afford the person(s) with disabilities equal opportunity to use and enjoy the housing.

**Are there preferences for minorities?**

If the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the Boston-Cambridge-Quincy, MA-NH HUD Metro FMR Area, currently 27%, a preliminary lottery will be held, comprised of all the minority applicants who do not qualify for the Local Preference Pool. Minority applicants would be drawn until their percentage in the local pool at least meets the percentage in the Boston-Cambridge-Quincy, MA-NH HUD Metro FMR Area. Applicants not selected for the local pool would be in the open pool only.

**Are there any restrictions?**

YES. Deed restrictions are used to ensure the units are affordable for future buyers. The deed rider requires principal residency, affordability for perpetuity and prior approval from the Town and Monitoring Agent for capital improvements and refinancing. If you choose to sell your unit you must notify the town and Monitoring Agent in writing. There is a limit on the resale price. The maximum resale price is determined by using a Resale Price Multiplier, a figure calculated by taking the initial sales price and dividing it by the area median income. **For example**, if the initial price is \$180,000 and the current area median income is \$103,400, the Resale Price Multiplier would be  $\$180,000/\$103,400=1.74$ .

Upon resale, the Resale Price Multiplier is multiplied by the updated area median income number to determine the maximum resale price. A 2% resale fee is added to resale price for the final sale price.

All selected applicants are urged to review the deed rider with their own attorney. All buyers will be provided with a copy at the time of Purchase and Sale Agreement. Email [maureen@mcohousingservices.com](mailto:maureen@mcohousingservices.com) for a copy of the deed rider.

**How much money do I need to make to afford the unit?**

The minimum income required to purchase is based upon an applicant’s ability to secure a mortgage. Attached is a “Sample Affordability Analysis” based upon current interest rates and anticipated real estate taxes and related housing expenses.

**Lottery Process**

**Due to the nature of the affordable units’ availability it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also be advised that the program and its requirements are subject to changes in local, state or federal regulations.**

### ***Lottery Pools***

Two units are available by lottery at 826-828 South Main Street in Bellingham. The lottery has two pools – Local and Open. The units and pools breakdown as follows:

<b><u>Pool</u></b>	<b><u>Qualifications</u></b>	<b><u># of Units</u></b>
<b>Local Pool</b>	<b>Must meet at least one of the Local Preference Criteria as listed on the application.</b>	<b>1</b>
<b>Open Pool</b>	<b>All applicants – including local pool</b>	<b>1</b>

Local applicants would have two opportunities to purchase a unit by being in both the Local and Open Pool.

Household size preference for the two bedroom units will be given to households that require two bedrooms, second preference is for households requiring one bedroom.

Unit preferences are based on the following:

- a. There is a least one occupant per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and reliable medical documentation is provided substantiating the adverse impact.
- d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- e. If the Applicant is in the process of a divorce or separation, the Applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

All of the applicants will be pulled and their lottery code announced at the time of the lottery. This order of selection will establish the rankings for the homes distribution. For example, if there are 15 local applicants and 20 non-local the first local applicant that meets the preference criteria would have an opportunity to purchase a home, then the second etc. until all the homes in the local pool are sold. The first applicant for the open pool that meets the preference criteria would have the opportunity to purchase a home, then the second etc. until all the homes are sold.

### ***Time Frames***

It is anticipated the affordable units will be available for immediate occupancy. If you are selected and have the opportunity to purchase the unit you will speak or meet with a representative to review your application to verify all information. The Applicant selected for the home will start working with their lender immediately to secure the necessary mortgage. Please be advised that the final income verification will be done at the time you have an opportunity to purchase a unit. All applicants must be determined income/asset eligible BEFORE they are entered into the lottery. The selected applicants' financial documents are verified again just before closing. Buyer will be expected obtain financing within 45-60 days of closing.

### ***Acceptance of Homes***

If you choose not to purchase the property, you will go to the bottom of the list and will likely NOT have another opportunity. All applicants will need to complete additional documentation for LDS Consulting, the Monitoring Agent, if they have the opportunity to purchase.

### ***Summary***

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the lottery process.
