## AFFORDABLE HOMES

### Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Department of Housing and Community Development (DHCD).

#### What are the qualifications required for Prospective Tenants?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4
Max Allowable Income	\$54,750	\$62,550	\$70,350	\$78,150

**Income limits are subject to change based on new HUD limits.**

#### APPLICANT QUALIFICATIONS:

1. Household income cannot exceed the above maximum allowable income limits.
2. The calculation of income will include the higher of actual income from assets (if over \$5,000) or an imputation of .06% of the value of total household assets which is added to a household's income. Assets include checking and savings accounts, investment accounts, CD's, retirement etc. Included in this package is the List of Required Financial Documentation.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Potential tenants may not own another home. The affordable unit must be their principal, full-time residence.

#### Are there preferences for Household Size?

In all cases, preference for the one-bedroom unit will be for households that require one bedroom. Preference for the two bedrooms will be for households requiring two bedrooms.

Household size preferences are based on the following:

- a. There is at least one occupant per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and reliable medical documentation is provided substantiating the adverse impact.
- d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- e. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

Persons with disabilities are entitled to request a reasonable accommodation of rules, policies, practices, or services or to request a reasonable modification of the housing, when such accommodations or modifications are necessary to afford the person(s) with disabilities equal opportunity to use and enjoy the housing.

#### What happens if my household income exceeds the income limit?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.
