Trailside Apartments

Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Executive Office of Housing and Livable Communities (EOHLC).

What are the qualifications required for Prospective Tenants?

- Qualify based on the following gross maximum income table, which is adjusted for household size:

Household Size	1	2	3	4	5	6
Max Allowable Income up to 80%	\$68,500	\$78,250	\$88,050	\$97,800	\$105,650	\$113,450

APPLICANT QUALIFICATIONS:

- Household income cannot exceed the above maximum gross allowable income limits. Income from all household members 18 or older must be provided.
- When assets total \$5,000 or less, the actual income received is included in the annual income as income from assets OR when assets exceed \$5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
- In addition to income and asset eligibility you will also be subject to a screening by the project, i.e. credit, past landlord, CORI etc. and determined eligible based on that basis.
- Households cannot own a home, including homes in a trust, and lease an affordable unit. Your home must be sold before you will be allowed to move-in.

Are there accessible/adaptable units?

Yes, all the units are adaptable. Four units are Group 2 accessible units – 2 one-bedroom, 1 two-bedroom and 1 three-bedroom unit. Applicants with disabilities may request reasonable accommodations or modifications of the housing when such accommodations or modifications are necessary to afford the disabled person equal opportunity to use and enjoy the housing.

Are there preferences for Household Size?

In all cases, preference for the three-bedroom unit will be for households that require three bedrooms.

Preference for the two-bedroom units will be for households that require two bedrooms.

Preference for one bedroom is for households requiring one bedroom.

Household size preferences are based on the following:

- There is at least one occupant per bedroom.
- A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
- A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

Households must not exceed the Massachusetts State Sanitary Code: 105 CMR 410. Applicants will not be offered a unit larger than they are eligible for.

What happens if my household income exceeds the income limit?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

Summary

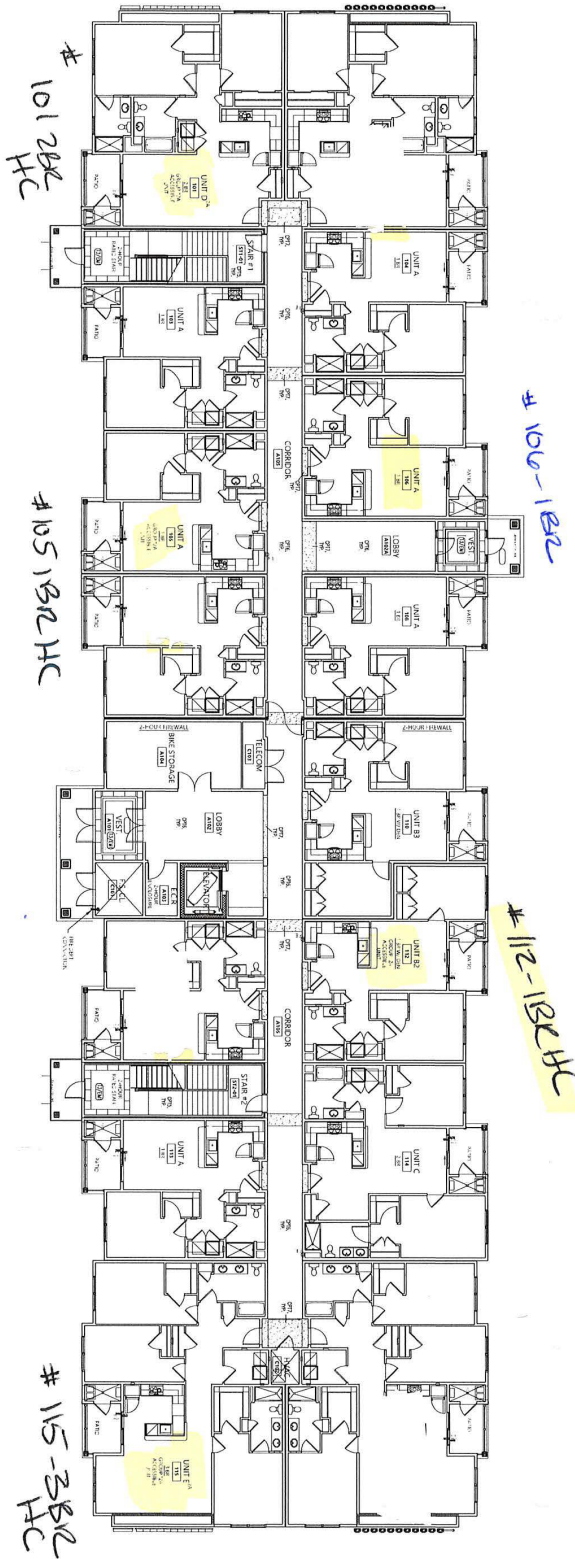

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the process.
