The Shops and Lofts at 27 Water Street

Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Department of Housing and Community Development (DHCD).

What are the qualifications required for Prospective Tenants?

- Qualify based on the following gross maximum income table, which is adjusted for household size:

Household Size	1	2	3	4
Max Allowable Income	\$70,750	\$80,850	\$90,950	\$101,050

LOTTERY APPLICANT QUALIFICATIONS:

1. Household income cannot exceed the above maximum gross allowable income limits.
2. When assets total \$5,000 or less, the actual income received is included in the annual income as income from assets OR when assets exceed \$5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Households cannot own a home, including homes in a trust, and lease an affordable unit.

Are units available for Local Preferences?

Yes, during the initial lease up 5 of the 8 units are for local preference. See application for local preference criteria.

Are there accessible/adaptable units?

Yes, all units are adaptable. Three 1 bedroom units are handicap accessible and hearing impaired. Applicants with disabilities may request reasonable accommodations or modifications of the housing, when such accommodations or modifications are necessary to afford the disabled person equal opportunity to use and enjoy the housing. All units are adaptable.

Are there preferences for Household Size?

In all cases, preference for the two-bedroom units will be for households that require two bedrooms, second preference for households requiring one bedroom. Preference for one bedroom units are for households that require one bedroom. Household size preferences are based on the following:

1. There is a least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
5. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorces or separation has begun or has been finalized, as set forth in the application.

Are there considerations for minorities?

Yes, if the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the surrounding HUD-defined area, currently 27%, a preliminary lottery will be held comprised of all the minority applicants who do not qualify for the Local Preference Pool. These minority applicants would be drawn

at random from the Open Pool until the percentage in the Local Preference Pool closely approximates the percentage in the surrounding HUD-defined area. Applicants not selected for the Local Preference Pool would be in the Open Pool only.

What happens if my household income exceeds the income limit?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

Lottery Process

Due to the nature of the affordable units' availability, it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also, be advised that the program and its requirements are subject to changes in local, state or federal regulations.

Lottery Pools

Eight units are available by lottery, 5 one-bedroom apartments and 3 two-bedroom apartments. The units will be distributed through the Local Pool and Open Pool. You must meet at least one of the Local Preference Criteria to be included in the Local Pool. The units' breakdown are as follows:

Unit Size	Total # of Units	Local Pool	Open Pool
One Bedroom	5	3	2
Two Bedroom	3	2	1

All applicants for a given pool will be pulled at the time of the lottery. This will establish the rankings for the distribution of units. This means if you are a one person household and meet the Household Size Preference (see Page 3) for a one bedroom unit and are drawn first in the lottery you will be offered a one bedroom unit. If you are a three person household and meet the Household Size Preference for a two bedroom unit and are drawn first you will be offered a two bedroom unit. This process will be identical for both the Local Preference Pool and Open Pool and will be used until all units are leased or until the lottery list is exhausted. Applicants in the Local Preference Pool will select units first then the Open Pool applicants.

Please note: Household size preference will override local preference. This means if we exhaust the applicants in the local pool that require two-bedroom units we will move to the open pool for households requiring two bedrooms. Household size shall not exceed, nor may the maximum allowable household size be more restrictive than, State Sanitary Code requirements for occupancy of a unit (See 105 CMR 400). Applicants will not be approved for units larger than their household size allows.

Once the lottery rankings have been determined your information will be forwarded to the Leasing Office for screening, i.e. credit, past landlord, CORI etc. If the Leasing Office determines you are eligible then you will be offered a unit.

You need to be determined eligible by MCO Housing Services, the Leasing Office and if you have a Section 8 or other housing voucher, your Public Housing Authority (PHA). If the PHA determines you or the project do not meet the eligibility criteria, then you will not be able to lease a unit.

If there are lottery applicants remaining once the affordable units are leased then they will be the beginning of the waiting list for future vacancies. Local preference will not be applied beyond the initial marketing and lease up, although any local pool applicants remaining will be added to the waiting list first based on unit size.

Time Frame

It is estimated the availability for occupancy will be immediate following the lottery.

Acceptance of Units

It is important for all applicants to understand that applicants may have an opportunity to select their unit if they meet all the deadlines, to be provided post lottery to all that have the initial opportunity to lease. The Local Pool applicants will select units first. Unit selection will be in done in ranking order, by lottery pool, post lottery for the initial applicants that have the opportunity to lease based on the lottery results only. Selection will happen after the Leasing Office application has been completed and approved. If the Leasing Office denies your application then you will not be able to lease. Those with a Section 8 or other Housing Voucher the project and rents need to be approved by your voucher holder. If they do not accept the rents or project you will not be able to lease, even if you were approved by the Leasing Office. Applicants that miss the provided deadlines will lose the opportunity to lease as we will move to the next applicant on the lottery list.

Summary

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the lottery process.
