The Woods at Merrimack, Magnolia House

Question & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Department of Housing and Community Development (DHCD).

What are the qualifications required for Prospective Tenants?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2
Up to 80% Max Gross Income Limits	\$54,900	\$62,750

APPLICANT QUALIFICATIONS:

1. All household members must be 62 year of age or older.
2. Household income cannot exceed the above maximum gross allowable income limits.
3. When assets total \$5,000 or less, the actual interest/dividend income received is included in the annual income OR when assets exceed \$5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation.
4. In addition to income and asset eligibility you will also be subject to a screening by the project leasing agent and your eligibility will be determined based on the Leasing Office Screening. If a criminal background screening is part of the Leasing Office screening it will be conducted in accordance with DHCD's MODEL POLICY REGARDING APPLICANT SCREENING ON THE BASIS OF CRIMINAL RECORDS. This screening takes place after your eligibility is determined and before you may be offered a unit.
5. Applicants may not own a home and lease an affordable unit.
6. Persons with disabilities will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.

Are there accessible/adaptable units?

There is one 1-bedroom unit that is handicap accessible. Applicants requiring the wheelchair accessible unit will have priority. Disabled applicants may request reasonable accommodations or modifications of the housing, when such accommodations or modifications are necessary to afford the disabled person equal opportunity to use and enjoy the housing.

Are there preferences for Household Size?

In all cases, unit preference size will be based on the following:

1. There is a least one occupant per bedroom.
2. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
3. A person described in the first sentence of (2) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
4. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
5. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorces or separation has begun or has been finalized, as set forth in the application.

Households will not be offered units larger that the allowable preference size for your household.

What happens if my household income exceeds the income limit?

Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, then after the end of your current lease you will have the option of staying in your unit and paying the market rent or not renewing your lease.

Once you have been determined eligible your information will be forwarded to the Leasing Office for credit and background checks. If the Leasing Office determines you are eligible then you will be offered a unit.

You need to be determined eligible by MCO Housing Services, the Leasing Office and your Public Housing Authority(PHA), if you have a housing voucher. If the PHA determines you or the project do not meet their eligibility criteria, then you will not be able to lease a unit.

Summary

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the process.
