Information and Application Keyes Farm Bolton Bolton, MA

Located at 258 Hudson Road, Keyes Farm Bolton is a new development offering 2 two bedroom units in a renovated historic home for eligible first time homebuyers (certain exceptions apply). The first floor unit is still available. The unit has two bedrooms, 1 bath and 3 parking spaces in approximately 1,000 sq. ft. The building has been gutted to the studs and rebuilt into one duplex. New roof, siding, plumbing, heat, electric, kitchens, baths etc.

The maximum sales price for the affordable unit is \$160,000 and is available on a first come first serve basis. The monthly HOA fee is \$275, and the 2020 tax rate is \$20.39 per thousand. The condo docs will outline what is covered in the monthly HOA fee. Please review the enclosed information packet in detail and complete the application and disclosure statement at the rear of the packet.

PLEASE NOTE: All applicants must include a mortgage pre-approval letter, from an institutional lender familiar with affordable deed restrictions, and complete financial documentation with the application. An application will be considered incomplete and will not be reviewed if a mortgage pre-approval letter and all documentation are not provided. AFFORDABLE HOMES through the Local Initiative Program Question & Answer

What are the qualifications required for Prospective Buyers?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4
Max Allowable Income	\$54,950	\$62,800	\$70,650	\$78,500

APPLICANT QUALIFICATIONS:

- Household income cannot exceed the above maximum allowable income limits.
- Household must be a first time homebuyer defined as not having owned a residential property for three years, including a home in a trust. ** The following exceptions apply:
 - displaced homemakers, where the displaced homemaker (an adult who has not worked full-time, full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family), while a homemaker, owned a home with his or her partner or resided in a home owned by the partner;
 - single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of who the individual has custody or joint custody, or is pregnant);
 - households where at least one household member is 55 or over;
 - households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; and
 - households that owned a property that was not in compliance with State, local or model building codes and that cannot be brought into compliance for less than the cost of construction a permanent structure.** A home owned by one of the above exception must be sold prior to closing on the affordable unit.
- Total household assets shall not exceed \$75,000. Liquid retirement assets are counted.
 - Individual retirement, 401K and Keogh accounts are included at 100% of the account value.
 - The value of Retirement and Pension Funds differ if you are employed or are no longer working. If still employed the value is determined using the amount you can withdraw less any penalties or transaction costs. At retirement, termination of employment or withdrawal periodic receipts from pension and retirement funds are counted as income. Lump sum receipts are counted as assets.
 - Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.

Complete Income and Asset Guidelines will be provided upon request, if you have an opportunity to purchase or you can view online at www.mcohousing.com.

Other program highlights for applicants:

- Unit must be principal residence of the owners and can not be rented or leased.
- Non-household members are not permitted to be co-signers on the mortgage.
- A mortgage pre-approval letter, from a bank experienced with deed-restricted properties, is required.

Are there mortgage guidelines that we need to follow?

Yes, they are:

- Must secure a 30 year fixed rate mortgage.
- The loan must have a current fair market interest rate. No more than 2% points above the current MassHousing Rate.
- The buyer must provide a down payment of at least 3%, 1.5% of the purchase price must come from the buyer's own funds.

Potential applicants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.

(4) The loan can have no more than 2 points.

(5) The sales price of the unit is set by DHCD to be affordable to an income-eligible household paying no more than 30% of their monthly income for housing costs. The buyer may not pay more than 38% of their monthly income for housing costs.

(6) Non-household members are not permitted to be co-signers on the mortgage.

The mortgage must be from an institutional lender familiar with affordable deed restriction guidelines. FHA and VA loans are not accepted as neither program will accept deed restricted properties where the affordability survives foreclosure. We suggest you look at the One Mortgage Program through the Massachusetts Housing Partnership (mhp.net) or the MassHousing Program as both are geared towards first time homebuyers.

Are there preferences for local residents and those with families?

Yes. One of the units are for households that meet at least one of the Local Preference criteria. Refer to the application for the local preference guidelines.

Household size preference for the two-bedroom units will be given to households that require two bedrooms, second preference is for households requiring one bedroom.

Unit size preferences are based on the following:

- a. There is a least one occupant per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and reliable medical documentation is provided substantiating the adverse impact.
- d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- e. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

Persons with disabilities are entitled to request a reasonable accommodation of rules, policies, practices, or services or to request a reasonable modification of the housing, when such accommodations or modifications are necessary to afford the person(s) with disabilities equal opportunity to use and enjoy the housing.

Are there any restrictions?

YES. Deed restrictions are used to ensure the units are affordable for future buyers. The deed rider requires principal residency, affordability for perpetuity and prior approval from the Town and DHCD for capital improvements and refinancing. If you choose to sell your unit you must notify the town and DHCD in writing. There is a limit on the resale price. The maximum resale price is determined by DHCD using a Resale Price Multiplier, a figure calculated by taking the initial sales price and dividing it by the area median income. **For example**, if the initial two bedroom price is \$160,000 and the current area median income is \$111,600, the Resale Price Multiplier would be $\$160,000/\$111,600 = 1.43$.

Upon resale, the Resale Price Multiplier is multiplied by the updated area median income number to determine the maximum resale price.

All selected applicants are urged to review the deed rider with their own attorney. All buyers will be provided with a copy at the time of Purchase and Sale Agreement. Email maureen@mcohousing.com for a copy of the deed rider.

How much money do I need to make to afford the unit?

The minimum income required to purchase is based upon an applicant's ability to secure a mortgage. Attached is a "Sample Affordability Analysis" based upon current interest rates and anticipated real estate taxes and related housing expenses.

Potential applicants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.

Summary

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck.
